

## Service Bingo

To complete the final 16 hours of service for the end of the year, we need you to complete at least 16 of the 25 squares. As you complete these, make sure to follow all city, state, and national regulations to maintain a safe community with either virtual contact or 6 feet apart. You cannot count a single activity for two squares. Make sure to submit this with what you've done by **May 15** to receive credit!

Choose your service activity	Call a friend	Interview a senior citizen to learn about their life	Take a sibling or pet for a walk	Choose your service activity
Tutor a family member or friend	Make a sign expressing gratitude and place it in a front window	Make or get someone a treat or meal	Help a neighbor with yard work	Email a teacher to thank them
Play a game with a relative	Do an extra chore	Choose your service activity	Call a senior citizen	Write a thank you note for someone
Write a health care worker to thank them	Go for a walk and pick up trash	Check in with a neighbor	Text a friend an uplifting message	Play a game with your family
Choose your service activity	Make an uplifting chalk message	Call extended family	Watch a sibling for a parent	Choose your service activity

Turn in by **May 15** to receive credit for your hours!

Coronavirus will pass, but for now we have a special opportunity to serve and uplift others.

\*DISCLAIMER: THIS IS NOT ACTUALLY BINGO! WHICH SQUARES YOU DO DOES NOT MATTER. IT ONLY MATTERS THAT YOU COMPLETE 16 OF THEM! ALSO, A SQUARE DOESN'T EQUAL AN HOUR! YOU HAVE TO DO AT LEAST 16 SQUARES TO GET ANY HOURS!
